

## Competitive Benefits Fully Paid by UKG

**Eligibility** – All active, regular full- and part-time employees are eligible for non-healthcare benefits on day one of employment. This includes pension, accident, and disability coverage as well as holidays, time off, tuition reimbursement, family support benefits, and much more.

Full- and part-time employees can enroll in healthcare benefits once per year during the January open enrollment period. A new hire who had group coverage prior to joining UKG may exceptionally enroll within 30 days of their hire date. Healthcare benefits include supplemental medical, dental and vision coverage for employees, legally married spouses, and children under age 26.

**Medical/Dental/Vision** – A collective healthcare plan is offered through CZ and allows employees to choose their general insurance policy, deductible level, additional insurance packages, and dental coverage. This plan includes a prevention budget to use toward e-Health modules, a health check, or flu jab.

**Pension** – Employees are eligible for a group pension scheme through Aegon with a 2.5% employee contribution and 4.7% employer contribution. This includes partner pension in case of death prior to retirement.

**Accident Coverage** – Basic accidental death and dismemberment insurance is provided and paid out at 2x (due to death) or 4x (due to disability) your annual base salary.

**Short- and Long-Term Disability** – Short-term disability is offered in addition to the statutory required income protection and covers 100% of salary during year 1, 70% of salary during year 2. Long-term disability is available for a permanent disability. It provides income protection and supplements the minimum required salary.

*\*Government required*
